

Important Information Regarding Your Hotel Reservation

Dear Attendee,

We hope you are doing well. The COVID-19 pandemic has generated unprecedented challenges and we wish you the very best.

As you likely already know, we've made the decision to move the annual Executive Conference to October 4-6, 2020.

We are working out a number of details and will keep you informed as they become available.

At this time, we want to let you know that the Bellagio has canceled all room reservations made through our room block. There is no need to take any further action at this time. Your credit card charge will be reversed by Bellagio.

We're working with the hotel to establish a room block for the new dates and will inform you the moment the hotel is ready to take reservations.

Stay safe, thank you for your continued support, and we look forward to seeing you October 4-6, 2020.

Please direct any questions or inquiries to Lynn Dekovitch by e-mail lynnd@urnerbarry.com or phone 732-240-5330.
