Urner Barry Unveils New Quotations on Popular Whitefish Items Trading in Europe

August 19, 2021, Toms River, NJ – Urner Barry, the leading provider of protein market news and information in the food industry, today announced the launch of a brand new quotation series on whitefish (groundfish) products currently trading in Europe.

This latest addition further expands Urner Barry's initiative to provide market transparency in Europe. Coverage of popular whitefish items trading throughout the continent will join already established market quotes on European Shrimp and Farm Raised Salmon.

The expanded pricing category is now live on [COMTELL](#). The new section will feature new quotations on relevant whitefish items including a dedicated price table showcasing Alaskan Pollock in its most consumed product forms. And, of course, the new price series will be accompanied by Urner Barry's renowned market commentary and analysis.

"Our assessment of the European seafood trade is deepening," said Michael Nesbitt, Seafood Market Reporter with Urner Barry tasked with covering the European and UK markets. "Adding to the existing European coverage of shrimp and farm raised salmon, this latest price table will provide insight into Alaska Pollock imports from the US, Russia, and China."

The new quotes will be published each week on Thursdays and include the following:

From the US (in order of volume) (single frozen):

PBO fillet blocks
DS PBO fillet blocks
Mince blocks
PBI fillet blocks

From Russia (single frozen):

PBO fillet blocks
Mince blocks
PBI fillet blocks

From China (double frozen):

PBO fillet blocks
